

NOTEWORTHY NEWCOMER

Shinto Japanese Steakhouse & Sushi Bar

A spin-off of an Ohio original, this West Suburban scenester serves a broad, upscale menu that covers everything from sushi to steak, with signature cocktails, lunch specials and a kids' menu as additional assets; the clubby, low-lit setting features Asian-style decor, smokeless hibachis, an open kitchen and a bar area complete with a stream and a domed ceiling that changes color.
